Use PACS messaging to share case with the appropriate chair. Find Radiologist using Qgenda schedule, according the below guidelines:

- Weekends:
 - On-site Radiologist if available
 - Otherwise depends on time of day, see Qgenda
 - Call 395-6100 if all else fails

We understand the first choice may not always be available, in which case you should find someone else if there is no response for 5-10 min. Best options M-F 7:30 am to 5 pm are **BELLHARBOUR** and **GENERAL AM/PM**
