

Radiologist contact protocol - CT issues

Please use these guidelines to find the appropriate Radiologist to help with protocol or other issues you encounter, based on time of day and subspecialty.

Neuro:

- M-F 7:30 am to 5 pm - Try to find a Neuroradiologist working in Sentara system who is not sitting in the **MRI Neuro** chair (use Qgenda). Most common locations are:
 - **Procedures AM** (typically Tues and Thurs, 5-8943)
 - **OB MR/General** (typically MWF, 4-4110)
 - **SPAH** (7-1153)
- Sat 10 am - 6:30 pm and Sun 11 am - 6:30 pm - **MR** (5-8945)
- All other hours - 5-6100
- Neuroradiologists: Butela, D. Brown, Goldwag, Malin, Mihlon.

MSK:

- M-F 7:30 am to 5 pm - Try to find MSK Radiologist working in Sentara system who is not sitting in the **SPA MRI MSK** chair (use Qgenda). Most common locations are:
 - **SPAH** (7-1153)
 - **OB MR/General** (4-4110)
 - If unavailable, call **SPA MRI MSK** (7-0135)
- All other hours - 5-6100
- MSK Radiologists: O'Neil, Chako, Berry, McMonagle, Slat, Misquitta, McTavish.

Chest/Body:

- M-F 7:30 to 5 pm - Due to more variable schedule, search Qgenda for body specialist.
- Primary - Tyszko or Breault
- Secondary - Goel, McTavish, O'Neil, Chako, Tobola
- After hours - 5-6100
