

StatRad policy for MRI/CTA prelims

- 7 days a week StatRad is currently providing coverage from 7 pm until 7 am.
- Applicable stat MRI and CTA exams can be sent to StatRad routinely (phone call to HRRR Radiologist is not necessary).

Exceptions to StatRad:

- CTA exams for penetrating trauma or active bleeding are not included and should be sent to HRRR Radiologist with phone call.
- Bon Secours stroke alert CTA not currently sent to StatRad
